## Front page and select current Issue

The screenshot shows the front page of the Drug Discoveries & Therapeutics (DD&T) journal website. The header includes the journal logo, an Impact Factor of 3.1, and navigation links: Home, Current Issue, Archives, Editorial Board, Guide for Authors, Online Submission, Free Registration, and Login. A search bar is located on the right. The main content area on the left provides information about the journal, including its affiliation with the IRCA-BSSA Group, its publication frequency (bimonthly), and its scope (pharmaceutical research). It also lists indexing services like PubMed, Web of Science, and the Emerging Sources Citation Index. On the right, there is a section for IRCA-BSSA Group Journals, featuring covers and QR codes for BST, DD&T, and IRDR.

Then select the data from the page and click full text (PDF) to download the pdf

Page range, article name, DOI, Volume and Issue

The screenshot shows the issue navigation page of the Drug Discoveries & Therapeutics (DD&T) journal website. The header is identical to the front page. The main content area on the left displays the 'Issue Navigation' section, which includes a dropdown menu for the current issue (2024 Vol.18 (No.2)). Below this, there are three sections: 'Mini-Review', 'Review', and 'Original Article'. Each section lists articles with their page ranges, titles, authors, and publication details. For each article, there are links to 'Summary' and 'Full Text (PDF)'. On the right, there is a section for IRCA-BSSA Group Journals, featuring covers and QR codes for BST, DD&T, and IRDR.
